

# Join the Book Arts League!

**I**F YOU ARE CURRENTLY a member, please renew your membership. The BAL is an all-volunteer nonprofit organization that must rely upon its membership for financial support. Your tax-deductible membership will help the League continue working toward a long-term home for the Eaves Press while continuing its program of community book arts activities.

**I**F YOU'RE INTERESTED in learning about the traditional book arts of letterpress printing, paper decoration, calligraphy, papermaking and bookbinding — or if you're a book artist or graphic arts professional who wishes to support these ancient arts and crafts — please consider becoming a member of the Book Arts League. The League publishes a newsletter and website, and sponsors social events, workshops with local and visiting book artists, and exhibits of book arts. The League also rescues, preserves and restores the rapidly disappearing tools and equipment of traditional book making.
